Read What the Experts Say —

ROAD TEST

"In the economy car class, currently dominated
by Volkswagen, a new contender has climbed
into the ring. If buyers drive the Corona as well
as the VW before making their decision, the
Corona just might emerge the new champ. In
almost every department important to buyers of
this kind of vehicle, the Corona sets the nod."

MOTOR TREND

"The Corona Sports Sedan, a real eye-catcher ...
also a real eye-opener in the performance de-
partment ... It has a 90 HP engine that puts
it miles ahead of its competition in performance
... while other economy sedans are chugging
slowly up hills, the Corona keeps up with, or
ahead of, traffic. Spirited, mischievous, rugged, and
comfortable, Corona boasts a host of no-cost
extras; makes sense for American buyers."

SPORTS CAR GRAPHIC

"We drove the 90 HP Corona for several weeks
and found it to be one of the most pleasant, low
priced sedans we have driven in a long time
... We feel its success is already guaranteed!"

POPULAR IMPORTED CARS

"We found the manufacturer's claim that the
Corona will accelerate to 100 mph in seconds to
be realistic ... The reserve passing power of
the new Corona is remarkable ... The new 1966
Corona is one of the hottest dollar values availa-
ble today."
